To The Director of Public Instruction,

The Secretary to Government, Education
Department, Fort St. George, Madras.

Sir,

Subject: SCHOOLS - Government Girls' High School, Bellary - Employment of an additional Physical Training Instructress - Sanction Requesting.

@£@

At present only one Physical Training Instructress is employed in the Government High School for Girls, Bellary. There are now 15 sections in Forms I to VI with a total strength of 438 as shown below:-

	NUMBER OF SECTIONS.	STRENGTH.
Form I	3	90
Form II	3	81
Form III	3	100
Form IV	3	75
Form V	2	58
Form VI	1	34
TOTAL.	15	438

In secondary schools there should be one Physical Training Instructor ~~xx~~ or Instructress for every 250 students. There is therefore definite need for the employment of two Physical Training Instructresses in the Government High School, for Girls, Bellary. According to the syllabus for Physical Education in Secondary Schools, every section of Forms I to III should have three periods of Physical Training work per week., and every section in Forms IV to VI two periods per week. Accordingly there will be 39 periods of Physical Training work per week in the above school, excluding the work outside school hours. Thus there will be sufficient work for two Physical Training Instructress in the school. I therefore request that Government may kindly sanction the employment of an additional Physical Training Instructress in Grade II for the school, for a period of one year from the date of appointment, in the first instance.

Yours faithfully,
